

## DHS All-Class Reunion DVD Order Form

The memories of our time together during this event are being recorded by Clear Blue Productions of Pulaski. The cost of the DVD is (*priceless...*) \$20.00. You can order one today and look forward to it being ready for distribution in 30-45 days. We will designate a pick-up location somewhere in Dublin for those that want to pick up their copy, or if you prefer, you may choose to have it mailed to you or someone else as a gift, for an additional \$3.95. The pick-up location will be posted on the web site and the paper. Those giving an email or phone number will be notified personally as to the location for pickup.
