August 9, 2008 2:00 p.m.

The Dublin High memorial Team within the All-Class Reunion Committee voted to assist Pulaski County in funding a new picnic shelter at Randolph Park.

The "Dublin High School Alumni Shelter" accommodates approximately 100 people. The shelter will display two memorial plaques: for our departed classmates and to honor our teachers and school staff.

Your contributions to this project have been very generous and we thank you for your support for this shelter.

This project shows our strong community support and provides continued visibility for Dublin High School alumni.

Dublin High School graduates will be privileged to a two-week jump on the normal reservations scheduling period to reserve any of the Randolph park shelters for a Dublin High School reunion. This means Dublin High School Reunions may be scheduled for the following spring and summer during the last two weeks of September.

Thank you DUKES!!!
